More Than Just a Regular Hand Wash

Cool meets citrus in this explosion of natural ingredients, bringing you a fresh, powerful formula that supports the energizing and purifying of skin. Combining the unique benefits of Chlorophyll with the potent properties of Colloidal Silver, our **CucumberLIME** Liquid Hand & Body Wash provides you with an incredible level of effectiveness against dirt, odors, oils, and other substances that can contribute to blemishes, blackheads, acne, and other skin issues.

With most of the industry using potentially harmful substances, sanitizers in general are being scrutinized more closely. Even more worrisome is that these same ingredients are listed as ingredients included in pesticides.

Cutting-Edge Science Behind CucumberLIME™

True to our Sisel Safe® culture, CucumberLIME is definitely different.

To start, we infuse our hand wash with **Colloidal Silver**. This incredible metal has been used for centuries to support cleaning and to enhance healing.

Next, we tap into the energy cycle of plants and take advantage of the versatile extract, **Chlorophyll**. Known for many benefits, this ingredient possesses strong, naturally powerful properties and has proven to be an effective ingredient in resilient skincare.

Additionally, along with **Lavender Flower Extract**, Chlorophyll acts as a soothing natural deodorant offering a superior level of odor protection.

Soothing, Fragrant, Sparkling Clean!

From Nature's doorstep to yours, enjoy the clean, refreshing benefits of **CucumberLIME** Liquid Hand & Body Wash today!
