## Anti-Glycation Extreme Supplement

As children, we had all of the energy that we needed to go all day long by metabolizing glucose sugars. As our bodies break glucose down with oxidation to release the energy that powers the cells in our body, a plaque-like residue is left over. This residue—known as Glycation End Products—accumulates over time, depositing an inhibiting coating over proteins and reducing optimal stem cell performance.

As the stem cells rebuild new cells and maintain themselves, Lipofuscin is formed. Lipofuscin is metabolic waste, a form of cellular sludge that clutters cells and greatly inhibits biological functions.

What if you received some help to clean up the mess and dump much of the accumulated trash left behind by glycation and lipofuscin? Then your stem cells in the body would be free to function again at a higher level. Scientists theorize it may well allow your body to again produce energy at the levels when you were younger.

What sets the **A.G.E. Pill** apart from other anti-aging products and into the realm of potential youthful regeneration, is that it provides three classes of advanced, specialized super-nutrients to the stem cells that deliver intense support for:

1. Diminishing glycation buildups that inhibit intercellular proteins.
2. Reducing toxins and cellular sludge resulting from lipofuscin.
3. Increasing ATP—providing Biological Hydrogen to greatly amplify cellular electrical energy. Theoretically, this process could increase electrical energy within the stem cells to where you may feel like you were young again!

Adenosine Triphosphate (ATP) and biological hydrogen are believed to be key in supporting the releases of vast stores of energy that are available to your body. Your new, elevated energy could help your cells to rejuvenate and provide an environment to work at more optimum levels.

Aging is the result of decay and degeneration in our bodies. If we can slow or reduce decay and degeneration by providing the proper nutrients, we should be able to slow the effects of aging.

The **A.G.E. Pill** provides specialized super nutrients to the stem cells which enhance and allow the natural processes of the body to operate more efficiently... to do what you want to do, so you can be what you want to be. Now you can be revitalized, and feel as youthful as you believe you are.

Be Young.  
Be Happy.  
Be You.

# The A.G.E. Pill™

Anti-Glycation Extreme Supplement

180 CAPSULES

## FEATURES AND BENEFITS

- Helps diminish glycation buildups that inhibit intercellular proteins.\*
- Helps reduce lipofuscin.\*
- Helps remove toxins and cellular sludge.\*
- Supports cellular health and stem cells.\*
- Increases in ATP-providing biological hydrogen to help amplify cellular electrical energy.\*
- Helps clean up cellular waste, allowing the cell to work at more optimal levels.\*

## DIRECTIONS

Take 6 capsules daily on an empty stomach (3 capsules in the morning and 3 capsules in the evening).

## CAUTION

Do not take if pregnant, nursing, or under 18 years old. If you are taking prescription medication, or have a pre-existing medical condition, consult your healthcare provider before taking this product. Keep out of the reach of children. Do not use if tamper evident ring or seal is broken. This product may cause temporary reddening of the skin or flushing.

## Supplement Facts

Serving Size: 3 Capsules  
Servings Per Container: 60

Amount Per Serving	% Daily Value	
Calories	5	
Total Carbohydrate	2 g	<1%†
Vitamin C (as Ascorbic Acid)	50 mg	60%
Niacin (as Niacinamide & Niacin)	50 mg	310%
<b>Proprietary Blend</b>	600 mg	††

Beta-Alanine, Alpha Lipoic Acid, L-Carnosine, Betaine HCl, DMAE Bitartrate, Acetyl-L-Carnitine HCl, L-5-Hydroxytryptophan, Blueberry (fruit), Nicotinamide Riboside.

† Percent Daily Values are based on a 2,000 calorie diet  
†† Daily Value not established

## OTHER INGREDIENTS

Rice Flour, Vegetable Capsules, Vegetable Fatty Acid, Silicon Dioxide
