Nourish and Protect your Skin from Moisture Loss and Harsh Environmental Exposure

Coconut Body Milk rehydrates and nourishes, leaving your skin velvety soft with a radiant, healthy glow. This silky blend is made from the highest quality ingredients that soften, moisturize, and soothe skin exposed to daily, environmental conditions. And with a pleasing coconut aroma, you'll also nourish your senses.

Coconut Oil hydrates, smooths, and protects the skin. Rich in antioxidants, this easily absorbed oil can help minimize fine lines and wrinkles.

French Plum Seed Extract contains a perfect ratio of Oleic Acid and Linoleic Acid, which gives this extract intense moisturizing properties. This nourishing oil gives the skin an exceptionally silky feeling, penetrates quickly, and has a unique natural fragrance.

Avena Sativa (Oat) Powder is a form of Oat Extract that has skin-soothing and protecting properties. In addition to antioxidant benefits, it is loaded with beta-glucan, skin nourishing lipids, and moisturizing carbohydrates, perfect for dry, irritated skin.

Citrus Aurantium Dulcis (Sweet Orange) can minimize the effects of sun damage on skin. This sweet extract helps strengthen and thicken the outer layer of the skin, smoothing out fine lines and wrinkles, and minimizing dry skin.

Aloe Barbadensis (Aloe Vera) Leaf Juice, often referred to as a miracle ingredient, has been used for centuries to hydrate and soothe skin exposed to the sun and other harsh environmental conditions.

Give your skin a
velvety, radiant,
healthy glow
