The Secret to Anti-Aging

Scientists theorize that our bodies are capable of living up to 125, even 150 years in great health and with vibrant energy. So why are we dying in our 70's—our true 'middle age'—when we might be able to be living decades longer? One answer may be found in our genetic code. Geneticists believe genes in our DNA called sirtuins control the aging process. Normally these genes decline rapidly with time, but when nutritionally invigorated, they could trigger biological mechanisms that may be able to extend our lifespan potential.

Eternity® gives you intensive support for longevity, antioxidant defense, and energy.*

The Science Behind Eternity®

Proven science. That's what led to our unique formulation of **Eternity**. Scientists worldwide recognize that oxidative free radicals are virulent in damaging cellular DNA, making it difficult for efficient DNA duplication. Science shows that resveratrol is one of the best free-radical scavengers available.

Eternity delivers high doses of resveratrol in a highly bio-available liquid form, making it up to as much as 250 times more absorbable than encapsulated products.* **Eternity** also contains an intensively powerful energy blend made from grape skin, Chinese knotweed, green tea, and green coffee bean extracts. Additionally, it contains a viable antioxidant blend of pomegranate, plum, and raspberry concentrates.*

Our unique formula offers powerful immune support with a blend of **Resveratrol**—an antibiotic-like phytochemical produced by red grapes—combined with our signature **Energy & Antioxidant Blends** which constitute a powerful mix of energy promoting ingredients and bioflavonoids that help you improve your stamina and endurance and support your fight against free radicals.*

Longevity in a Glass

You are only as young as you feel. **Eternity** offers huge benefits in helping feel younger.* Make your age reversal program complete with the addition of **Eternity**. Start living a better, longer life today with **Eternity**, an important part of Sisel's Triangle of Life®.*
