Taking a long, meditative, and sumptuous bath is a great way to unwind from daily stressors. Mineral salts soothe your tired muscles to help you feel more relaxed.

Our natural sea salts, extracted from underground salt deposits from a prehistoric underground sea, along with premium essential oils, add relaxing and healing properties to your bath that Epsom salt alone can't provide. With SiselSOAK, you won't just take a bath -- you'll alleviate your tension, calm your aches, and "soak" away your stress.

**Restore mineral deficiencies** with the 59 naturally occurring trace minerals found in our ancient sea salts, while helping maintain and improve skin's healthy appearance.

**Relieve soreness and muscle aches.** Epsom salts help stimulate detoxification pathways and remove toxins from your body.

**Soothe your mood** and relieve fatigue with the relaxing scent imparted by pine essential oil.

Lavender essential oils help unclog pores and **relieve the discomforts of swelling.**

Vitamin C helps **protect skin from harmful free radicals**, and helps maintain younger-looking, firmer-feeling skin.

Hibiscus, blackcurrant, apple, and carrot extracts contribute to a **soothing experience.**

A meditative  
relaxing,  
elevated bathing  
experience

## FEATURES AND BENEFITS

- Creates a soothing, spa-like bathing experience to help soak stress away.
- A combination of ancient sea salt and Epsom salt provides relaxing, therapeutic benefits.
- A soft, pleasant scent soothes mood and eases tension.
- Antioxidant properties help keep skin looking youthful.

## DIRECTIONS

Use 1 sachet of bath salt for a standard-size bathtub filled with warm water. Pour the salt into the running water to help it dissolve faster into the bath. Soak in the tub for at least 12-20 minutes.

## CAUTION

If you are under the age of 18, pregnant, nursing or have a pre-existing medical condition, consult with your health care provider before using this product. If irritation occurs, discontinue use of this product. Keep out of the reach of children. Store in a cool, dry place.
