

GIVE YOUR FAMILY THE BEST

Pure, Nurturing Products
Without Harmful Chemicals

Sisely

**YOU WANT WHAT
EVERYONE WANTS:**
A Happy, Healthy Home.

BUT EVERY HOUSE HAS HIDDEN THREATS.

How Can You Make Your Home Sisel Safe®?

We know your top priority: the health and happiness of your family. You care about the food they eat, the air they breathe, the environment they live in. But did you know that one of the most significant threats to their health could be in your own home, found in the very products that they use every day?

Many health and beauty products contain potentially harmful ingredients. Your skin, only 1/10th of an inch thick and highly permeable, absorbs many of the things you put on it. Once absorbed, potentially harmful chemicals travel through the bloodstream and accumulate in other organs and cells. With daily exposure, over the course of a lifetime, it adds up.

Sisel Safe® products avoid these ingredients so you can enjoy peace of mind for you and your family.

Common household and
personal care products
contain all-too-common
and **POTENTIALLY
HARMFUL TOXIC
CHEMICALS**

Sisel will not use these—or any other—controversial ingredients. Take a look at your personal care products and see if their labels list any of these chemicals that you should be concerned about:

Propylene Glycol—A common ingredient in RV anti-freeze, it may cause liver abnormalities and kidney damage.

Sodium Lauryl Sulfate—A well-known highly aggressive detergent common in industrial degreasers and floor cleaners, may result in harmful long-term effects in skin and eyes.

PEG (Polyethylene Glycol)—It penetrates the skin and may be carcinogenic and contain trace amounts of 1,4-Dioxane.

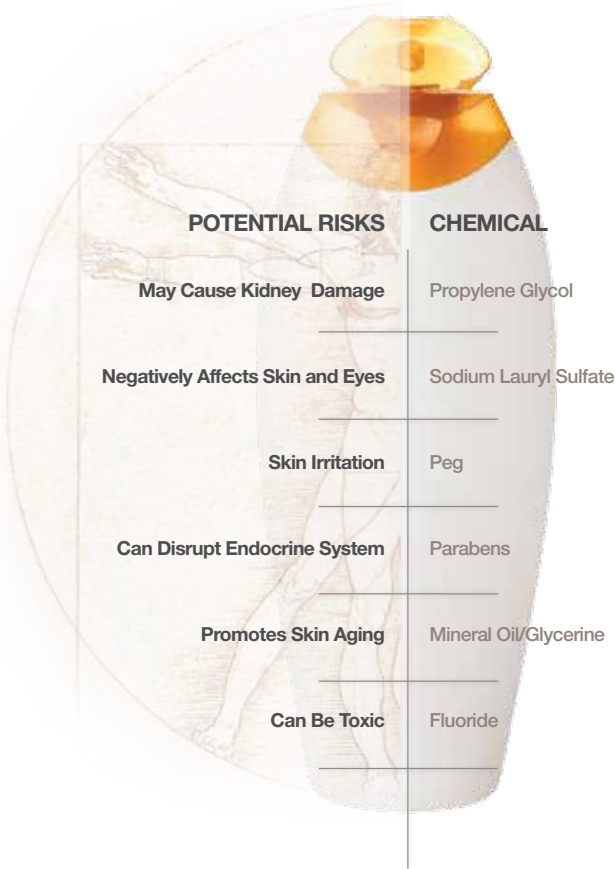

Parabens—Studies which have found their existence in breast cancer tumors. It has also been found that it can have an endocrine-disrupting action.

Mineral Oil—Petroleum based, it dries the skin and clogs the pores. It can lead to blemishes and the appearance of prematurely aged skin.

Fluoride—Every toothpaste that contains fluoride has a warning label that advises you to call the poison control center if you ingest more than a small amount.

And the packaging is just as harmful as the product

Some plastic containers leach potentially harmful chemicals, like Bisphenol-A (BPA) and phthalates, into the products inside them.

When it comes to the health of your
family, make the easy choice—
SISEL SAFE PRODUCTS

SAFE, GENTLE PRODUCTS, Free From Harmful Ingredients.

This is our promise to you.

Sisel won't use controversial, potentially harmful ingredients in our products. In fact, our mission is to hold ourselves to the highest possible standard of ingredient integrity. We will always give you safest, most-effective, non-toxic ingredients to keep your family safe, healthy, and happy.

For example, in our sulfate-free shampoo, we refuse to use the typical, harsh foaming agents, sodium lauryl sulfate and sodium laureth sulfate. Instead, we use cocamidopropyl betaine—that's a lot of syllables to describe a simple ingredient made from gentle coconut oil. We also add a hair-enriching botanical complex of burdock, ivy, and fenugreek. And instead of using questionable, artificial fragrances, we use natural, sweet essential oils of citrus fruit to create a refreshing, delightful scent.

We follow this same process for every formula we create: remove the bad and replace it with the great, so you can use every Sisel product with peace of mind. In addition, you will find all of your Sisel products in BPA and phthalates-free containers.

A woman with blonde hair, wearing a blue sweater over a dark collared shirt, is looking down at a small green bottle she is holding. The background is a bright, out-of-focus interior space with a white sofa and a window. The text "What can you do to make your home **A SANCTUARY FOR YOUR FAMILY?**" is overlaid in the top right corner.

What can you do to make
your home **A SANCTUARY**
FOR YOUR FAMILY?

MAKE THE SWITCH

Convert Your Household To Sisel Safe Products

We make it easy and worry-free to keep our homes free from potentially harmful ingredients!

Here's how to convert your household into a Sisel Safe home:

Read the labels on your existing products. Make a list of those items that contain potentially harmful ingredients.

Beginning with products which may pose the highest risk to your family's health, prioritize your list.

Replace the items on your list with Sisel products (visit www.siselinternational.com or contact your representative).

SISEL SAFE®: When you see the seal, you know

What does the Sisel Safe Approved seal mean?

It means that we promise to use only the purest, safest and most effective ingredients, and to avoid the use of harmful or unsafe packaging materials. When you see the Sisel Safe seal, you can be confident that the products you purchased have gone through the highest level of scientific scrutiny and are ready to help your family be as healthy as it can be.

Where Sisel Safe® Products are Born

In our Research and Development labs, we pore through scientific studies from all over the world and use that knowledge to formulate the latest advances in safe, powerful health and beauty products. Over 1000 new chemicals are produced every year¹.

We keep tabs on the latest industry developments to keep our products Sisel Safe. We oversee the entire manufacturing process in our own 100 million dollar, 400,000 square foot manufacturing plant.

Sisel Safe isn't just a slogan — **it's a promise.**

Choose Our Safe, Gentle Formulas

Get started on your journey to a healthier life by replacing your current care products with these personal care basics listed below. None of them contain chemicals like parabens, PEGs, polysorbates, sodium lauryl sulfate, sodium laureth sulfate, mineral oil, propylene glycol, aluminum, or any other potentially harmful ingredient. We offer many more Sisel Safe® personal care products and dietary supplements—see them all at www.siselinternational.com.

Skin Care

Absolve Liquid Hand Cleanser

Has a soothing blend of essential oils—lavender, rosemary, calendula, and thyme.

Hand and Body Lotion

Moisturize-rich with shea oil, babassu palm kernel oil, and mango seed butter.

Everfresh Deodorant

Botanical extracts of aloe, witch hazel, coriander, and sage keep you confident.

Bath and Body

Exquisite Revitalizing Shampoo (Sulfate-Free Formula)

A sulfate-free botanical complex blended with hydrolyzed silk and wheat to leave hair fresh, soft, shiny, and manageable.

Replenish Moisturizing Conditioner

Antistatic and conditioning agents restore damaged hair and add body and shine.

Hair Gel Firm Hold

Contains positively charged polymers, which bind with negatively charged amino acids in the hair to allow natural movement and excellent stylability.

Bubble Bath

Made with natural, biodegradable corn starch glucose; also uses aloe to soothe and soften.

Timeless Minerals Cosmetics

Mineral Liquid Foundation

Contains aloe barbadensis leaf that calms and moisturizes the skin.

Mineral Foundation Pressed Face Powder

Features lighter-than-air, all-natural minerals that will not block pores.

Loose Mineral Face Powder

Minerals allow the skin to breathe while providing full coverage.

Loose Mineral Face Powder — SPF 15

Protects the skin from the sun's age-accelerating rays.

Loose Mineral Blush

Contains light-reflecting minerals, which reduce the appearance of aging.

Mineral Eye Pencil

Formulated with jojoba oil and antioxidants that moisturize and protect delicate skin.

Mineral Eye Shadow

Contains vitamin E to protect the sensitive areas around the eye.

Lash Builder Mascara

Has hydrating Panthenol and lash-building fibers.

Mineral Lip Pencil

Jojoba oil supports the absorption of nutrients, emollients, and antioxidants.

Mineral Lip Gloss

Contains a lip-pampering blend of lavender, rosemary, peppermint, cinnamon, thyme, and oregano essential oils.

Mineral Lipstick

Formulated with an exclusive blend of sunflower seed, coconut, and sesame oils that protect and moisturize.

Pressed Illuminator

With luminescent, naturally occurring minerals that allow skin to breathe, while providing full coverage.

Mineral Bronzer

Lightweight minerals that won't clog pores and are ideal for all skin types.

Dental

SupraShine™ Toothpaste

Fluoride and Sodium Lauryl Sulfate-free and sweetened with all-natural, tooth-friendly xylitol.

Terminator™ Mouth Rinse

Alcohol and Fluoride-free Stabilized Chlorine Dioxide eliminates bad breath and is gentle on delicate mouth tissue.

Clean Home, Clean Conscience

Asepti-Clean Dish Soap

Tough on dirty dishes, easy on your hands and environment; bio-degradable.

Vibrant Laundry Detergent

Contains safe and effective foaming agents designed to emulsify and hold soils in suspension so they rinse away.

Tom Mower, Sr.
*President and Co-Founder
Sisel International*

THE MOWER MISSION—a lifelong passion

Over two decades ago Tom Mower, Sr. came to a shocking realization: Many of the same harsh chemicals used to manufacture industrial-strength cleaners and detergents were exactly the same as those used to produce common household personal care items. These were chemicals that were reported to pose health risks when they came into contact with the skin. So why would personal care products contain chemicals like that?

Tom was determined to spread the word and to find alternatives to these potentially harmful ingredients. Thus began a quest that would produce an historic explosion of activity—a new awakening—in the health and wellness community. Thus was born Tom Mower's lifelong mission.
