HELP MOISTURIZE YOUR SKIN AND PRIME IT FOR TREATMENTS

SkinDu™ is a light, high-moisture-binding spritz that deeply hydrates your skin with youth-enhancing ingredients such as coconut water extracts, activators, and small-sized hyaluronites as found naturally in your skin. With only a few light sprays, the appearance of aged skin will seem to disappear, leaving a fresh natural glow.

Supports pushing in skin care products for greater efficacy by refreshing and making the portals of the skin more permeable in order to enhance the efficacy of moisturizing ingredients found in our spectacular blend, which includes hyaluronic acid, coconut water and glycosamines.
