Drink Up—Cool Down

Keep your cool on hot summer days and nights. When you need a refreshing beverage that complements your healthy lifestyle, our Drink Up—Cool Down pack has you covered. **Fire&Ice** boosts your energy levels and helps you achieve your weight loss and maintenance goals. This low-glycemic, multi-functional tonic is your healthy alternative to soda or energy drinks. **SiseKAFFÉ Sencha Tea** provides prolonged energy without a crash. Just dissolve a packet in a small amount of hot water, then add your cold water and ice for an immunity-boosting, healthy cell growth-promoting, stress-relieving, premium iced tea.

A terrific Sisel tumbler accompanies these thirst quenchers so that you can drink up and cool down with powerful nutritional support as you work and play all summer long.

Daylight Clarity

Who wants increased clarity, concentration, cognitive ability, and cardiovascular health? We all do! **Brain VITALITY** is a rich combination of ingredients designed to nourish your brain with maximum bioavailability for better, faster results. And **SupraOmega PLUS** fuels cells throughout your body with a potent formula of five essential fatty acids plus CoQ10. So, let's be clear about how our Daylight Clarity pack supports your healthy body and brain.

Keep your mental skills sharp during your summer downtime with our Sisel-branded Rubik's Cube. It's all fun and games as you puzzle your way to solving this Sisel-specific cube.

Summer Spa

Here's your super-simple guide to healthy summer skin – our Summer Spa pack. Keeping your skin clear and glowing all season long is as easy as 1, 2, 3. First step is **Firming Facial Cleanser** – a rich, conditioning cleanser that leaves your face fresh and clean with the added benefits of facial firming. Second step is **SkinDu** – a spritz or two deeply hydrates with youth-enhancing ingredients, including hyaluronic acid. Third step is **Actify6000** – a hydrating powerhouse that safeguards your face against the harmful effects of the sun. Taking me-time to keep your skin looking radiant is a summer-time dream.

Luxury for all is our motto with this plush facial cleansing cloth that softly and easily swipes away makeup, dirt, and oils as you indulge in your summer at-home spa experience.

SiseLIPS™

With our 100% natural, beeswax **SiseLIPS Lip Balms** that are formulated to soften, hydrate, and nourish, you'll be treating your L•I•Ps to the A•B•Cs.

- A = Aloe**, which is known to soothe dry, cracked lips, deeply moisturizes to leave lips soft and plump.
- B = Bisabolol**, which is derived from Chamomile, is one of the best ingredients to calm irritation, provide comfort, and prevent skin dehydration.
- C = Candellilla**, which is high in fatty acids, keeps skin on the lips strong and healthy, and is a powerful emollient that soothes chapped lips.

SiseLIPS Lip Balms are also formulated with active Propolis. This natural resin produced by bees creates a protective barrier, supporting healthy looking lips and keeping harmful substances out.

With a four pack of fabulous flavors, your favorite will be easy to find:

- **Orange You Awesome**
- **Peppermint Lime Passion**
- **Piña Colada Perfection**
- **Strawberry Burst**

A charming, Sisel-customized sleeve keeps your Lip Balm handy wherever you go. The stretchy neoprene fabric holds tight and the swivel snap hooks on to your backpack, purse, beach bag, key chain, belt loop – or anywhere else you need to keep your Lip Balm close at hand.

SiseSCENTS™

SiseSCENTS Essential Oil Blends are 100% therapeutic, natural, and pure to maximize the benefits of aromatherapy and topical application. With three proprietary blends formulated to **Uplift, Calm, and Cleanse**, our signature blends are the perfect synthesis of nature and science.

SiseSCENTS Essential Oil Blends follow our *Sisel AROMAS Promise*:

- A = All Natural.** Pure, unadulterated oils with no fillers, fragrances, perfume oils, or additives.
- R = Rigorous Sourcing Standards.** Responsibly and sustainably sourced, resulting in the highest possible quality of oils.
- O = Origin.** Plants are grown in their native habitat under pristine growing and harvesting conditions.
- M = Method of Extraction.** Citrus oils are extracted through cold processing; all other oils are steam distilled from first distillation.
- A = Authentic.** The single oils used to create our custom blends are 100% authentic, single-species oils.
- S = Sisel Safe.** Our Sisel Essential Oils meet our Sisel Safe philosophy: we maintain stringent safety standards that demand the highest levels of ingredient integrity to keep you and your family safe, healthy, and happy.

Sisel Carrier & Massage Oil is an all-natural coconut oil that is ideal for diluting any **Sisel Essential Oil Blend** for topical application. With its neutral scent and color, this non-greasy, natural emollient mixes with essential oils to absorb easily into skin, providing maximum essential oil distribution and effectiveness.
