

SupraShine® Toothpaste

Fluoride-Free, All-Natural Toothpaste

There's no question that good dental hygiene is good for the long-term health and appearance of your teeth and gums. Sisel makes dental care less of a chore by providing safe, effective products that are easy to use and pleasing to the taste. With its powerhouse of ingredients, known for their oral health benefits, **SupraShine®** toothpaste is unlike any other. It's 100% fluoride free! While this chemical is often put in toothpaste to fight cavities and improve oral health, too much fluoride may discolor, and even be damaging to teeth. Sisel is committed to providing only the safest, most effective products, which is why our toothpaste stands out above the rest.

One of the key ingredients in **SupraShine** is Stabilized Anthium Dioxide. This ingredient not only eliminates mouth odor but is also aggressive towards troublesome debris. While tough on plaque, Stabilized Anthium Dioxide is gentle on delicate mouth tissue making it a perfect component in **SupraShine** toothpaste.

SupraShine's cleaning and protective support is enhanced by xylitol, a natural sweetener that will not feed the bacteria that cause tooth decay. It also contains the essential oil of peppermint, which lends a fresh, minty flavor. You will love the smooth, cool feel of your mouth and teeth after brushing with our toothpaste.

Smile with confidence with **SupraShine**, and make it a part of your dental routine today. You will discover a new reasons to smile!

Your Smile is
Priceless!

SupraShine® Toothpaste

Fluoride-Free, All-Natural Toothpaste

113 g/4 fl oz

FEATURES AND BENEFITS

- Highly effective, yet 100% fluoride, SLS, SLES and sulfate free.
- Contains safe potable water chlorine dioxide. This ingredient not only eliminates mouth odor but is also aggressive towards troublesome debris. While tough on plaque, stabilized chlorine dioxide is gentle on delicate mouth tissue.
- Hydrated Silica. This important ingredient helps keep teeth bright by mechanically removing stain films from our teeth.
- Contains micellar calcium casein to support the enamel on your teeth.
- No dangerous chemicals or harmful additives like those found in most commercial toothpastes, such as Fluoride or Sodium Lauryl/Laureth Sulfate.

DIRECTIONS

Use a pea-sized amount of SupraShine toothpaste applied to your brush. Then vigorously brush teeth daily after meals. Completely safe for children, but may require adult supervision.

INGREDIENTS:

Aqua, Sorbitol, Hydrated Silica, Glycerin, Zinc Citrate, Stabilized Chlorine Dioxide (Sodium Chlorite Solution), Peppermint Flavor, Cocamidopropyl Betaine, Xylitol, Cellulose Gum, Titanium Dioxide (CI:77891), Hydrolyzed Casein, Silica, Camellia Sinensis Leaf Powder.
