## Advanced Telomere Support Supplement

Sisel's Telomere Support Xtreme – also known as **TSX**, is a phenomenal breakthrough in science and nutritional technology. **TSX** has the ability to assist in maintaining and lengthening the telomeres in your stem cells so you can practically turn back the clock.

At the ends of our chromosomes are stretches of DNA called telomeres. A telomere is a repeating DNA sequence that sits like a “cap” at the end of each chromosome. Telomeres protect our genetic data and make it possible for how often stem cells divide. Telomeres are believed to regulate the rate and speed of duplication of our cells.

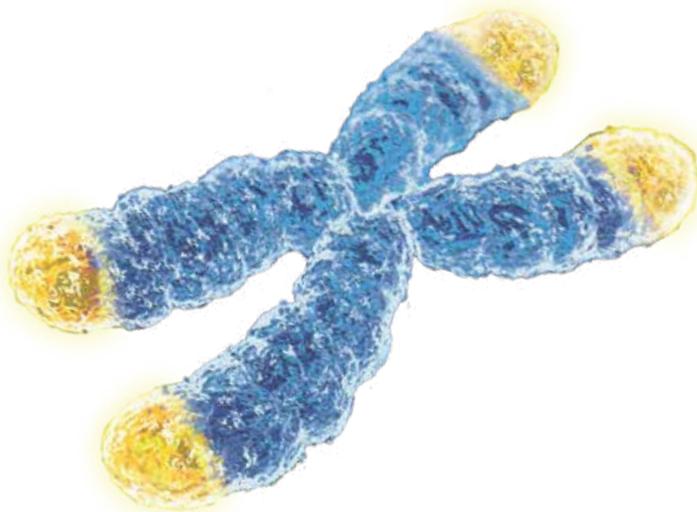

Our bodies manufacture substances to keep telomeres healthy and strong. But as we age, our production diminishes, resulting in the telomeres getting shorter. As they shorten, it's like a clock counting down in our bodies: shorter telomeres means more fraying on the strands of DNA and telomeres, and it results in—as scientists speculate—aging.<sup>(1)</sup>

The one, two punch of **TSX** comes in the form of astragalus and bacopa extracts, heavily fortified with antioxidants for greater protection and support.

Astragalus is a very powerful Chinese adaptogen and anti-oxidant. Adaptogens allow your body to adapt to mental, physical and emotional stress. Astragalus supports the strengthening of telomeres and helps against dangerous free radicals. Sisel uses superior extracts of astragalus that includes astragalosides and cycloastrogenol all of which have potential anti-aging, anti-inflammatory properties. Early research suggests that astragalus may be effective for overall protective health of our cells and helping people with their energy and athletic performance support.<sup>(2)</sup>

The second robust ingredient in **TSX** is bacopa monnieri. This fabulous herb from India has wonderful antioxidant properties and has been used in Ayurvedic medicine for years. Bacopa has been touted as a brain tonic that supports memory development, learning, focus and concentration.<sup>(3)</sup>

**TSX** also packs powerful anti-oxidants in the form of multiple high grade pigmented fruit and veggie extracts for potential antioxidant and anti-inflammatory properties.<sup>(4)</sup>

Support Your  
Telomere Health  
and Start to Feel  
Younger

## Advanced Telomere Support Supplement

### 30 Capsules

#### FEATURES, BENEFITS & SUPPORT

- Supports healthy functions of telomeres, which protect the ends of chromosomes.
- Supports healthy cognitive functions and brain health.
- Promotes healthy function of DNA replication.
- Supports cellular health.
- Healthy structure and function of organs with super nutrients.
- Enhances efforts to fight aging.
- May help you feel incredibly younger.

#### SUGGESTED USE

Age range of 18-50 years: 1 capsules/day

Age range of 50-70 years: 2-3 capsules/day

Age range of 70+ years: 2-4 capsules/day

#### CAUTION

If you are under the age of 18, pregnant, nursing or have a pre-existing medical condition, consult with your health-care provider before taking this product. Discontinue use and consult your health-care provider if any adverse reaction occurs. Do not use if tamper-evident seal is broken. Keep out of the reach of children.

### Supplement Facts

Serving Size: 1 capsule  
Serving Per Container: 30

Amount Per Serving	% Daily Value
Vitamin D (as Cholecalciferol)	8 mcg <b>40%</b>
Riboflavin (as Riboflavin)	2 mg <b>150%</b>
Vitamin B-6 (as Pyridoxine HCl)	5 mg <b>290%</b>
Sodium	15 mg <b>&lt;1%</b>

Bacopa (herb) Extract, Astragalus (root) Extract, Milk Thistle (seed) Extract (Silymarin), alpha-Galactosidase, Berry (fruit) Blend (Grape and Grape Seed Extract, Wild Blueberry and Wild Blueberry Extract, Raspberry, Cranberry, Prune, Tart Cherry, Wild Bilberry and Wild Bilberry Extract, Strawberry Powder), Vegetable Blend (Broccoli Sprout Concentrate, Onion Extract, Tomato, Broccoli, Carrot, Spinach, Kale, Brussel Sprout Powder), Citrus Bioflavonoid Complex with Quercetin, Szechuan Pepper (fruit), Grape (skin) Extract (Resveratrol).

† Percent Daily Values are based on a 2,000 calorie diet  
†† Daily Value not established

#### OTHER INGREDIENTS

Microcrystalline Cellulose, Vegetable Capsules, Vegetable Fatty Acid, Silica.

*"I have been taking the TSX since Feb. 2012. Every year I do a health fair and I compare my results from 2011 to this year's results. My hearing and eyesight have improved and my normal hair color is coming back. I feel great and love avoiding the effects of aging."*
