

Terminator[®] Mouth Rinse

Gentle, Healthy and Fresh Oral and Breath Rinser

Terminator[®] Mouth Rinse is unlike any other oral hygiene product available. Rather than cover or suppress odor, **Terminator** helps to eliminate the odors that cause bad breath, without strong chemicals or alcohol.

The key ingredient in **Terminator** is stabilized anthium dioxide, which, when used in a mouth rinse, eliminates odor and bad breath.

Another distinctive feature of **Terminator** is the all-natural sweetener xylitol. Unlike ordinary sweeteners, xylitol does not feed bacteria that cause dental caries or plaque. When used as part of a complete dental hygiene program, **Terminator** may help improve your next dental checkup. And the cool, minty flavor leaves your breath fresh and inviting.

Terminator[®] Mouth Rinse

Fluoride-Free, All-Natural Toothpaste

475 mL/16 fl oz

FEATURES AND BENEFITS

- Highly effective, yet 100% alcohol free.
- Eliminates mouth odors
- Contains special phosphate buffer
- Gentle enough for delicate mouths
- Helps maintain good oral health

DIRECTIONS

For fresh breath and clean teeth and gums, swish a small amount of rinse in mouth for at least 30 seconds twice a day.

CAUTION

Do not intentionally swallow rinse. Avoid contact with eyes. Supervise child use. Do not use if tamper-evident seal is broken.

INGREDIENTS:

Aqua, Xylitol, Stabilized Chlorine Dioxide (Sodium Chlorite Solution) Potassium Phosphate Buffer, Flavor.
