MAXMotion is a unique, full-spectrum joint formula packed with essential active ingredients that support all 18 synovial joints found in horses. This comprehensive equine formula is designed to nourish and support recovery in horses suffering from stiffness and joint injury.

Key Ingredients

- Formulated with Boswellia, Beta Glucan, and MSM to support your horse's joints while maintaining comfortable mobility.
- Contains a full range of Collagen Peptides, Collagen Type II, Glucosamine HCl, Chondroitin Sulfate, and Hyaluronic Acid to promote healthy joints.
- Made with Fulvates, Vitamins, Minerals, and other nutrients to support healthy bones, cartilage, and connective tissue.

Now your horses can receive the same great health-promoting benefits as you do, with this fabulous, full-spectrum equine supplement.
