

sisel[®]

Product Catalog

We Are Sisel.

Sisel was established as a visionary enterprise of product development, manufacturing, and distribution to ensure safe, healthy, toxin-free products are spread around the world. Sisel stands for Science, Innovation, Success, Energy, and Longevity and we hold true to the mission of creating health, wealth, and happiness for business builders and customers everywhere.

Why Choose Sisel?

Experienced Management

Sisel is led by industry leaders with over a century of combined experience in effective marketing strategies, powerful recruiting programs, crucial success training, innovative product development, and billions of dollars in sales.

Safe, Effective Products

Sisel offers broad support for health and wellness in all aspects of daily life. By researching the latest scientific breakthroughs, we are always on the forefront of product innovation.

World Class Production

Sisel manufactures all of its products in a highly-advanced facility. This allows us to control and oversee the production process, from the highest quality of the natural ingredients, to the final bottling and packaging using recycleable materials.

A Stable, Secure Future

Sisel is a 100% debt-free company. Few companies of this magnitude can make that claim. This financial stability ensures that when you partner with Sisel you can enjoy a long and prosperous future.

***Live a better, healthier
life with Sisel.***

The Mower Mission

Over four decades ago, Tom Mower, Sr. discovered that many of the same harsh chemicals used to manufacture industrial-strength cleaners and detergents were also used to produce common household personal care items. This led him on a quest to reshape the health and wellness community with safety and science at the forefront, giving birth to the Mower Mission.

Since that time, the Mower Mission has benefited millions across the world. Tom Mower Jr., along with his sister, Leisel, and sons, Thomas and Kaden, now lead the way in spreading this innovative philosophy to more people than ever before.

Sisel never uses potentially harmful ingredients in any product and maintains the highest levels of ingredient integrity to meet stringent safety standards. This ensures that all Sisel products are made from safe, effective, and non-toxic ingredients, keeping your family safe, healthy, and happy.

Sisel Safe® isn't just a slogan—it's a promise.

sisel

Fitness

Sisel fitness products help you manage your weight and boost your energy to power through your busy day.

Let's face it, losing weight and staying fit is one of life's biggest challenges. Sisel enhances your diet and fitness routine by formulating effective supplements that nourish your body and help suppress the cravings that may come with following a weight loss program. Sisel's entire line of fitness products can help you not only lose weight, but potentially keep it off for good.

Whether you're looking for nutritional supplements, tasty weight management shakes, or energy-boosting drinks, Sisel fitness has what you need to be successful. All of these products are manufactured under the Sisel Safe® guarantee to ensure they are free of any dangerous ingredients.

With Sisel fitness, you can become the "you" that you want to be.

Health

A healthy outside starts from the inside.

Health comes from a balanced diet and active lifestyle. Sisel's supplements are designed to make your exercise and health routines even more effective by optimizing your body's natural biological functions and promoting energy and longevity.

Sisel's Research and Development team works hard to ensure that each product line is effectively free of chemicals, additives, and toxic ingredients. From nature's doorstep to yours, our products help you live life to its fullest.

We want to support your health and nutrition goals, and we've put in the research to do so. All our products are science-backed, so you can trust the ingredients and always know what's in your supplements.

Health

Spectra MAXX®

Extreme Antioxidant Megatonic

A supercharged megatonic that fills in the gaps of modern diets by providing a broad spectrum of antioxidants and essential trace minerals. This drink delivers nutrients from 40 fruits, vegetables, and natural ingredients, and combines them with 74 essential trace minerals. Spectra MAXX offers improved bioavailability by including fulvic acid, which can dramatically increase nutrient absorption.*

Spectra MAXX
F130004-10-01

25 fl oz (750 mL)

FuCoyDon UFG®

Naturally Flavored Fucoidan Beverage

When your cells are healthy, your body is healthy. Sisel uses an advanced, patented infusing process that extracts fucoidan from Limu Moui seaweed to make our FuCoyDon supplement more bioavailable than traditional supplements. Third party studies have shown that fucoidan supports increased energy, enhanced immunity, and helps maintain normal glucose, hormonal, and circulatory functions in the body, all by working on a cellular level to optimize your biological processes.*

FuCoyDon UFG

The Triangle of Life®
Rejuvenate from the inside out.

The A.G.E. Pill™ Anti-Glycation Extreme

Designed to work at the cellular level to help combat the biological processes behind aging, The A.G.E. Pill supports the removal of waste that slows energy production and causes decay, such as glycation buildup and cellular sludge. The A.G.E. Pill is also designed to bolster the production of ATP, our bodies' energy molecules.*

The A.G.E. Pill
F137804-10-01
180 Capsules

TSX™ Advanced Telomere Support

As we get older, our telomeres shorten, reducing their ability to effectively protect our DNA, often leading to muscular and organ decay and decreased energy. TSX helps fight against these effects by offering nutritional support to telomeres, supporting natural cellular processes for healthy DNA replication, encouraging telomere efficiency, and contributing to better cellular health.*

TSX
F131668-10-01
30 Capsules

Stem-O-lytic™ Senolytic 'Super 8' Supplement

Stem-O-lytic is a broad spectrum blend of eight powerful, natural senolytic compounds that not only encourage selective apoptosis but also assist the immune system in clearing out toxic cells to allow for the production of new stem cells, thus increasing longevity and youthfulness and delaying the effects of aging.*

sisel

SISELKAFFÉ™

Indulge in the ultimate comfort with SiselKAFFÉ™. Each sip offers a luxurious blend of smooth, rich flavors.

SiselKAFFÉ Premium Coffee is made from a special blend of coffee beans that includes Panama Boquete Gesha beans. These beans are grown at high elevations and in fertile volcanic soil, which gives them a rich and smooth flavor that is renowned worldwide. In fact, they have been ranked the world's best-tasting coffee for over 15 years in a row.

In order to avoid the harmful effects of standard open flame roasting, Sisel uses unique infrared technology instead. This method of roasting produces a more even roast without the burnt, bitter taste and leads to lower acidity.

SiselKAFFÉ products not only provide the standard health benefits of coffee, but also contain unique ingredients that provide powerful nutritional benefits, including improved cognitive function and immune system support.

SiselKAFFÉ™ Instant Premium Instant Black Coffee

Don't let being in a rush stop you from enjoying SiselKAFFÉ's deep, rich flavor. SiselKAFFÉ Premium Instant provides all the great taste and wonderful health benefits of Sisel's premium ground coffee in convenient, single-use packets. If you like your joe on the go, try SiselKAFFÉ Premium Instant today.*

The Sisel Safe® philosophy helps you and your family live a cleaner, safer life.

Sisel recognizes that hidden threats exist in common household items used every day. We work very hard to eliminate these threats by producing only safe and effective products. We research and formulate products that not only save you time and money, but are manufactured without potentially toxic chemicals and are packaged with recyclable materials. This is our Sisel Safe philosophy, so when you see a product with the Sisel Safe stamp, you can rest assured that no potentially dangerous chemicals or toxins were used in its production.

Personal Care

Sapphire™ Shampoo

Paraben, PEG, and Sulfate Free

This sulfate-free and toxin-free shampoo protects your hair from damage and your skin from irritation. It's filled with active agents that gently cleanse while restoring strength and texture, leaving your hair fresh, soft, shiny, and manageable.

Personal Care

SupraShine® Fluoride-Free, All-Natural Toothpaste

The key ingredient in SupraShine, stabilized chlorine dioxide, helps eliminate mouth odor and helps prevent decay. SupraShine also contains the teeth-coating mineral calcium hydroxyapatite and xylitol, supporting positive dental health. In keeping with the Sisel Safe® philosophy, SupraShine® is 100% fluoride free.

™
SiselSilver

Enjoy daily life more fully with the health benefits that only SiselSilver™ can provide.

Silver has long been known for its antibacterial and antimicrobial properties. It has been used historically to keep drinking water and other liquids fresh and free from contamination. It has also been used for skin treatment, wound care, and cleaning. SiselSilver products work naturally by providing additional defense to support the body's immune system, thereby providing powerful protection for general health and well-being.

Supported by independent studies, SiselSilver uses a proven, new technology that promotes continuous particle function to maximize the bioavailability and potency of silver. Our unique and effective micronized colloidal silver core, surrounded by an Ag₄O₄ (tetra-silver tetra-oxide) molecular coating, ensures superior functionality that is reproduced time and time again to maximize the benefits people are looking for when using silver.

SiselSilver™

SiselSilver™

Micronized Colloidal Silver

SiselSilver is a natural product that helps to strengthen the body's immune system by adding an extra layer of defense. With a 22 ppm concentration (22 parts of silver per million parts of water), our micronized colloidal silver is highly effective at supporting, maintaining, and adding additional defense to the body's immune system. Supported by human clinical studies and toxicity studies, it is probiotic friendly and designed to maximize bioavailability. *

56 g (1.97 oz)

SiselSilver™ Silver-Infused Whitening Toothpaste

Formulated without fluoride, this toothpaste provides a minty fresh taste and a long lasting, just brushed mouth feeling. This whitening toothpaste combines the power of science and nature to create an extremely clean mouth environment and a bright, fresh smile. Sodium chlorite can brighten and whiten teeth by attacking penetrating stains, hydrolyzed casein supports the remineralizing of tooth enamel, xylitol inhibits plaque acid buildup, and colloidal silver is included to promote oral health.

Home Care

*Keep your home spotless
and your family safe with
our powerful, non-toxic
cleaning products.*

Your home should be your haven. However, on a microbial level, your home could actually be a battleground for toxins, even in some of the common cleaning products you trust. Harsh ingredients like ammonia, bleach, lye, and others effectively kill unwanted organic material, but may also present serious harm to your family's wellbeing, especially that of children and pets.

Sisel recognizes that toxins are everywhere, especially where you might least expect them. Harsh chemicals can harm not only humans but the environment, as well. Therefore, Sisel ardently stands by the Sisel Safe philosophy to only formulate products that are both effective cleaners and simultaneously safe for your family and the planet. Sisel products are manufactured to ease your mind and wallet, and always include only non-toxic ingredients.

OrganiCleanse™ Fruit & Vegetable Wash

Filling your diet with fresh fruits and vegetables is a good thing, but you can make it even better with Sisel's OrganiCleanse Fruit and Vegetable Wash. OrganiCleanse will clean and rinse your produce to help ensure your diet is the healthiest and cleanest it can be.

OrganiCleanse
