

# Transfusium™

## Fortified Wrinkle Serum

Formulated to help give you a more youthful appearance, **Transfusium™** is changing the way we treat skin in order to achieve a youthful appearance for aging skin. This breakthrough offers 24 powerful ingredients that work together in one formulation to help restore the look of younger skin and aims to significantly improve the look of discoloration, minimize the appearance of sagging skin and wrinkles, and adds luminescence and firmness.

**Transfusium** seems to transcend the appearance of skin back in time. This highly effective solution to aging skin is especially designed to address every facet of your skin, making you look years younger. **Transfusium** is completely free from harmful chemicals and toxins.

Minimize the  
Appearance of  
Fine Lines, Eye Bags  
& Crow's Feet

The logo for the brand 'sisel' is located in the bottom right corner. It features the word 'sisel' in a lowercase, sans-serif font. Above the 'i' and 'e' are several small, white, circular dots arranged in a slight arc, resembling a stylized sun or a cluster of stars.

## FEATURES AND BENEFITS

- Deeply diminishes the look of fine lines and wrinkles.\*
- Multifaceted and comprehensive effect dramatically improves appearance of skin.\*
- Look years younger in only a few weeks!\*
- Helps reduce the appearance of sagging skin and eye bags.\*
