

The A.G.E. Pill™

Anti-Glycation Extreme Supplement

A highly advanced Anti-Glycation formula with a unique blend of powerful super nutrients that support the fight against aging by promoting a youthful biology, and making you feel energetically younger for a potentially longer and healthier life.

As children, we had all of the energy that we needed to go all day long by metabolizing glucose sugars. As our bodies break glucose down with oxidation to release the energy that powers the cells in our body, a plaque-like residue is left over. This residue—known as Glycation End Products—accumulates over time, depositing an inhibiting coating over proteins and reducing optimal stem cell performance.

As the stem cells rebuild new cells and maintain themselves, Lipofuscin is formed. Lipofuscin is metabolic waste, a form of cellular sludge that clutters cells and greatly inhibits biological functions.

What sets the **A.G.E. Pill** apart from other anti-aging products and into the realm of potential youthful regeneration, is that it provides three classes of advanced, specialized super-nutrients to the stem cells that deliver intense support for:

1. Diminshing glycation buildups that inhibit intercellular proteins.
2. Reducing toxins and cellular sludge resulting from lipofuscin.
3. Increasing ATP—providing Biological Hydrogen to greatly amplify cellular electrical energy. Theoretically, this process could increase electrical energy within the stem cells to where you may feel like you were young again!

Adenosine Triphosphate (ATP) and biological hydrogen are believed to be key in supporting the releases of vast stores of energy that are available to your body. Your new, elevated energy could help your cells to rejuvenate and provide an environment to work at more optimum levels.

Aging is the result of decay and degeneration in our bodies. If we can slow or reduce decay and degeneration by providing the proper nutrients, we should be able to slow the effects of aging.

The **A.G.E. Pill** provides specialized super nutrients to the stem cells which enhance and allow the natural processes of the body to operate more efficiently... to do what you want to do, so you can be what you want to be. Now you can be revitalized, and feel as youthful as you believe you are.

Be Young.
Be Happy.
Be You.

sisel®

The A.G.E. Pill™

Anti-Glycation Extreme Supplement

180 CAPSULES

FEATURES AND BENEFITS

- Helps diminish glycation buildups that inhibit intercellular proteins.*
- Helps reduce lipofuscin.*
- Helps remove toxins and cellular sludge.*
- Supports cellular health and stem cells.*
- Increases in ATP-providing biological hydrogen to help amplify cellular electrical energy.*
- Helps clean up cellular waste, allowing the cell to work at more optimal levels.*

DIRECTIONS

Depending on your age or size it's suggested take 1 to 4 capsules (or more) preferably twice daily, with half taken in the morning and the other have in the evening, on an empty stomach as outlined below:

Ages 18-30: 2 capsules taken twice daily

Ages 30-50 : 3 capsules taken twice daily

Ages 50 & UP: 3-4 capsules taken twice daily

CAUTION

Do not take if pregnant, nursing, or under 18 years old. If you are taking prescription medication, or have a pre-existing medical condition, consult your health care provider before taking this product. Keep out of the reach of children. Do not use if tamper evident ring or seal is broken. Niacin flush alert: this product may cause temporary reddening of the skin or flushing.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Supplement Facts

Serving Size: 3 Capsules

Servings Per Container: 60

Amount Per Serving	% Daily Value	
Calories	6	
Total Carbohydrate	2 g	<1%†
Vitamin C (as Ascorbic Acid)	38 mg	42%
Niacin (as Niacinamide & Niacin)	206 mg	1288%
Proprietary Blend	723 mg	††

Beta-Alanine, d-Ribose, Alpha Lipoic Acid, Rosemary (leaf) Extract, L-Carnosine, Betaine HCl, DMAE Bitartrate, Acetyl-L-Carnitine HCl, L-5-Hydroxytryptophan, Blueberry (fruit).

† Percent Daily Values are based on a 2,000 calorie diet

†† Daily Value not established

OTHER INGREDIENTS

Rice Flour, Vegetable Capsules, Vegetable Fatty Acid, Silicon Dioxide

Manufactured for:
